About Me

A 3rd year Computer Science Engineering (AI&ML) Under-Graduate Student at Institute of Aeronautical Engineering Hyderabad with an interest in Artificial intelligence and machine learning. Working as an Intern @ Oasis Infobyte. Trying to seek every opportunity and looking forward to learn a new skill daily that helps to build my career, to meet the people with the same interest and work together

Professional Experience

Intern @ Oasis Infobyte

2022 – Present

1 month of internship in the **Web Development and Designing** domain at Oasis Infobyte.
This internship helped me to improve my skills in HTML, CSS and JS in order to design a website.
Thankyou Oasis Infobyte for providing this wonderful opportunity.

Build a Face Recognition Application Using Python

2021

GUVI Geek Networks, IITM Research Park logo organised a virtual meeting and thought us about python programming and building a face Recognition Application Using Python

Machine Learning with Python Programming by IBM

2021

Achievements

2012 - 2018   Member of the in Bharat scouts and Guides ⚜, Recived **Rajya Puraskar** by the Chief Minister of Karnatak in the Year 2016
